To Whom It May Concern:

This is a letter of recommendation for Clinton Jones. As an instructor of Clinton at The Los Angeles Recording School, I have noticed a remarkable difference in his approach to the program from other students. He is always asserting himself in class and trying to learn as much as possible.

During his attendance of optional clinics given at the school for those students that feel the need to learn more, he earned a chance to assist me on several sessions. All of these sessions ran smoothly, and it is in great part due to Clinton's contributions.

I highly recommend Clinton Jones for whatever position he is applying for, as he has demonstrated to me the ability to learn new concepts quickly, a good work ethic and a desire to continue learning all of the time.

Sincerely,

Andrew Ing
